Dated Bangalore, the *1942*

Water pipes

[redacted] directed to forward a copy of letter from Headquarters, Madras District, No 40216/A/E 4, dated the 10th October 1942, and to request that, if there is no objection, this Residency may kindly be furnished at an early date with material for a reply

I have the honour to be,
Sir,
Your most obedient servant,

for Secretary to the Resident

Letter from Headquarters, Mysore District, to the Secretary to the Hon'ble the Resident in Mysore, No. 40213/A/E 4, dated the 10th October 1942.

Water Pipes

It is understood that there is a proposal to improve the water supply to Chitaldrug and that several miles of 8" C.I pipes have been supplied to the site for this purpose but have not been laid as there is some question of the scheme being postponed for want of the complete materials Should this be the case would you please ascertain from the Government of Mysore whether these materials may be disposed of to the Defence Department

full list of the fittings and pipes available together with costs may please be provided should the Government of Mysore be prepared to dispose of them as above-

Transfer Disposal of G.I. pipes of the Kathral project for the use of the Defence Dept

File No 75 of 1942 [App F III-2

Serial No 6

To, The Dir of P H

Camp No K78 dt 25.10.42

Request him to furnish information re the availability of materials such as G.I. pipes in the Kathral Project of water supply to Chitaldrug town. Requested to be informed of the decision of the Defence Dept of the Govt as agreeable

Encs A

CS 25/10

From The Dir of P H

No C 199-38 dt 11.11.42

Furnishes the information called for

5) It is stated that 8" G.I. pipes are not available at the Kathral project but two miles length of 9" pipes are available out of which one mile length of pipes would have to be reserved to meet emergencies. The remaining one mile length of pipes could be made available to the Defence Dept in case the Kathral project of water supply to Chitaldrug town is ordered to be deferred till after the War. The Director of P H has not however furnished information in regard to the cost of the pipes

6) The question of the Kathral project of water supply to Chitaldrug town is separately under consideration. No final orders have been passed in regard to the postponement of the scheme being taken up for execution

Disposal of 6" S pipes of the
Kathral Project for the use of the Defence Dept

MC File No 75 2976/L of 1942 | General and Revenue Secretariat

Serial No

Certain information in this behalf has been
Called for from the Director of P.W., which
is awaited. It is however probable that
the scheme may be deferred due to the
difficulty in procuring Construction materials
and the abnormal rise in the price of
lead etc. obtaining in the market at present—

7/— submitted for orders

Feb 13/11 ; Information is required regarding
the availability of 8" Cast-Iron pipes
by the Madras Defte Headquarters
Memo of P.W. reports that no 8"
C.I. pipes are available & that the
size available at Kathral is 9" of
two miles length. He adds that it is
desirable to reserve one mile length for
the use of the Defence in emergency & the
balance of one mile may be available to the
Defence Dept., if the Kathral project
is decided to be postponed till after the war
In regard to the Kathral project,
kind reference is invited to the Note file
wherein the Dir of P.W. has sought orders
of Govt to postpone it, in view of the
unwillingness of the present contractors
to continue the work at the revised estimated
rates & of the high prices of construction materials
